

Stay Connected through Bible Study

As the season of Summer begins to wrap up and our dear friends start to head home, let's make sure we Stay Connected through Bible Study!

Have you ever wondered about the differences between the gospels or felt curious about diving deeper into the scriptures? Now is the perfect opportunity to explore these questions in a welcoming and supportive community.

We are thrilled to invite you to join our upcoming Bible study, led by Tracy Rubin, a Harvard Divinity School graduate from the Class of 2012. Tracy has been leading Bible studies for over a decade at her parish in Needham, MA, and this summer, she guided our lectionary study at St. Mary's. Her wealth of experience and passion for scripture promises an enriching and insightful journey through the Bible.

Starting on **Wednesday, September 18th**, we will begin our study of the Gospel of Luke—a beautifully written narrative that offers a unique perspective on Jesus. Luke's gospel is particularly inclusive, speaking to people of all backgrounds, regardless of social standing, gender, or religious affiliation. Many of the stories we cherish about Jesus can only be found in this gospel, making it an essential book for those eager to deepen their understanding of the Christian faith.

Whether you're joining us in person or from the comfort of your home via Zoom, you'll be part of a nationwide community of learners, all journeying together through this powerful text. Classes are discussion-based, allowing everyone to share their insights and learn from one another.

**We offer two convenient times to fit your schedule:
10-11:30 AM or 7-8:30 PM.**

If you're new to Zoom, don't worry—tutorials are available to help you get started.

This Bible study is more than just a class; it's an opportunity to build deeper relationships with God and with each other. As we explore the Gospel of

Luke together, we'll strengthen our faith, grow in our understanding, and stay connected as a community, no matter where we are.
